O R D E R :

In the G.O. first read above, the Government empowered the Commissioner of Labour (Now Director of Harijan Welfare) to grant non-residential scholarships of the value of Rs.4/- each to the pupils belonging to the eligible communities, who were undergoing the Apprentice Physician Course in the College of Indigenous medicine and to convert it into residential scholarship in deserving cases. This amount of Rs.4/- was subsequently increased to Rs.8 in the G.O. second read above. The Director of Harijan Welfare has now brought to notice that the candidates who pass the L.I.M. and U.C.I.M. courses are permitted to undergo training as Indigenous Medicine, House Surgeons or Indigenous Medicine House Physicians in selected district headquarters hospitals of modern medicine, that they are not allowed to have private practice during the period of training and has requested that he may be empowered to sanction non-residential scholarships and to convert them into residential scholarships in deserving cases, even in the case of the candidates undergoing training in headquarters hospitals, outside the College of Indigenous Medicine.

2. The Government accept the proposal of the Director of Harijan Welfare and accordingly empower him to sanction non-residential scholarships and to convert them into residential scholarships in deserving cases, where the candidates undergo the Indigenous Medicine House Surgeon or Indigenous Medicine House Physician course in the District Headquarters hospitals also.
